### Senior Class Will

We, the Senior Class of Killbuck High School, Holmes County, Ohio, being of sound and disposing mind and memory, (we hope) of full legal age and not acting under duress, menace, fraud, or the undue influence of any persons whomsoever, do hereby make, publish, and declare this our last will and testament, in manner and form following:

First: I, Paul Garver, will to Charles Allison my unsurpassable ability to do strict business. I also bequeath to Leona Duncan my mathematical and scientific knowledge in the hopes that it will live on in high school for a while.

Second: I, Ida Belle Lawson, do will and bequeath to Mary Ellen Lisle my rosy cheeks, curly hair, and sweet smile. I also will to Lillian Hoxworth the job of keeping Lewis straight.

Third: I, Marjorie Duncan, do hereby will and bequeath to my sister, Betty, my dramatic and musical abilities. To Maxine Fross I bequeath my excellent typing record.

Fourth: I, Harold Hoops, do will and bequeath to Deland Geib my athletic ability and hope that he, too, can get inspiration for more baskets by thinking of a certain girl. Two generous helpings of my height I leave to Albert Garver and John Waltman.

Fifth: I, Russell Moore, do hereby will and bequeath to Leona Duncan a portion of my ruddy freckles; I'm so attached to them that I really couldn't part with any more. My ability to get good grades in American History I leave to Jr. Fites.

Sixth: I, Harold Baird, will to Buster Close a generous helping of my pride in appearance. To Robert Foreman I leave my ability to get the acquaintanceship of out-of-town girls.

Senior class will continue

Seventh: I, Mary Shrimplin, do hereby will and bequeath to Joe Doyle my artistic abilities. To my sister, Jean, I leave my slenderness and my curls.

Eighth: I, Ruby Gray, do hereby will to Eileen Miller my streamline silhouette. To Ruby Gallion I leave my shining blond hair.

Ninth: I, Frances Patterson, will and bequeath to Lillian Mark my high-salaried job as assistant librarian. To Ruth Purdy I leave my nerve-racking job as Editor of the High School Year Book.

Tenth: We, the Senior Class of 1937, bequeath to the Senior Class of 1938, our cherished rear-study hall seats. To this hopeful group we also leave the task of presenting a Senior Class Play better than either a Junior or a Sophomore Play.

The year 1936-1937 has brought forth to Killbuck High School the possibilities of our Junior Class. We have not only shown our dramatic abilities by successfully presenting the play "Look Who's Here", directed by Miss Anderson, to a well-filled and appreciative house, but have also placed on the girls' basketball team, three stars, Lillian Beller, Doris Reed, Mary Lisle, and the girls' manager, Ruth Purdy; on the boys' team; Deland Geib, Jr. Fites, and Buster Close.

The Junior Class opened their year with a McCall magazine drive, a candy sale, and a bake sale. The proceeds of the Junior Class Play added to these, enabled us to have a larger sum of money in our treasury than any other preceding junior class.

It is with pleasure that we give the Senior Reception, and we hope to give to the High School something that will endear us to their memories, always. We have been the first class of K.H.S. to order our senior class rings in our junior year.

Ruth Purdy, a member of our class, helped to make up the Killbuck Quartet which won first place in the County Literary Contest. We had two members on the County Scholarship Team, Ruth Purdy in English and Leona Duncan in History.

We welcome any new member to our class and hope that all 1937 Juniors will graduate in 1938.

## SOPHOMORE CLASS REVIEW

During the years that we, the Sophomore Class of 1937, have spent in Killbuck Village School, we have ranked high in scholastic activities and sportsmanship.

When we were in the eighth grade, Killbuck was represented at the County Spelling Contest by five of our members. Robert Foreman, of this group, became the County Champion and attained seventh place at the Akron Beacon Journal District Contest.

We were the first eighth grade for many years to have an eighth grade commencement. Robert Foreman was Valedictorian and Margaret Coffey, Salutatorian.

When we entered high school life as freshmen, we were given a hearty initiation by the rest of the high school.

At the County Scholastic Contest, held in Millersburg when we were freshmen, Killbuck was represented in general science by one of our members, two in English I, and two in Latin I.

This year, as sophomores, we gave an initiation party for the freshmen. This party, because of the whole-hearted cooperation of three new members from Layland School, is one of the highlights of our sophomore year.

The sophomores supplied the much needed material for the highly successful Black and Gold basketball teams. Seven of our class members will receive basketball letters.

We are proud to have in our class the high school pianist, Margaret Coffey, and three outstanding dramatic students, Thomas Purdy, Walter Hern, and Gloria Croul.

We have accomplished little compared to what we intend to do in our Junior and Senior years of high school life.

Our aim in life will be to live up to our motto "Forward Ever-Backward Never."

## A Glimpse Into The Future

### Freshman Class Prophecy

"Oh, but I am sleepy! If Lucie wouldn't whisper so loudly to Donovan, I might be able to get at least a wink of sleep before Mr. Miller catches me. I guess I'll try anyway."

"This surely is a lovely rain. The sun is shining through the clouds and just now I can see the most beautiful rainbow. I can see red and yellow and green and violet--orchid--blue--oran--.

"My, who is that painting over there? Every color of the rainbow is blended in that mosaic-like painting. Well, for goodness sake, it's none other than Joe Doyle, who has just informed me that I am in the Capitol at Washington D. C.. He has given me a pass to see the President. Thinking this will be a delightful experience, I go into the room where press-writers wait for an interview with the chief executive, and find Naomi Patterson busily working at a switch board while Evelyn Schodorf and Eva Salders are rapidly writing reports. While I am waiting for the President I pick up a magazine and read a rhythmic poem written by Lucie Patterson. Just as I am about to read an article by Albert Garver, entitled, "The Art of Farming," I hear a hand on the door-knob and know that the President is approaching. I stand up and fairly hold my breath---at last I am to meet the President. Slowly the door opens and Claude Lawson enters the press-room! Will wonders never cease? Though he is now president, he still has his familiar smile, known now as the "Political Smile." He is accompanied by his campaign-manager, Edwin Cattleberry, who is still blessed with his gift of gab, and Ralph Reed, who is now Secretary of Agriculture. Formalities over, Mr. President asks me to go to the flood areas and get a few authentic reports. I accept and begin to prepare myself for the journey.

My first step is a trip to Miss Miller's Beauty Shoppe.

A few hours later I am at the Ling Airport and ready to board a large transport plane. I am glad to learn that my pilot is Earl Haun and more surprised and pleased to find that Vivian Carpenter is the air hostess.

On the train I meet Eileen Hoopes who tells me that she is now tutor for Gloria Vanderbilt. She also informs me that Bernard Gallion is now owner of a lumber company in Canada and that Maxine Croft has come back from Paris and is now employed by a large studio as their chief dress designer.

By this time we are at the flood area and I leave the plane. I know no press-writers are welcome in this place of destruction, but, after showing a letter written by the President to the chief flood engineer, who turns out to be Wilmer Kidd, I am permitted to go to work at once.

The first place I visit is the Red Cross Hospital where flood refugees are being ably taken care of by many nurses, among whom are Lucille Pipes and Jane Frazier. These girls tell me that Albert Garver has temporarily given up farming and has broken every record for life-saving. The members of the Freshmen Class of 1937 have certainly made something of themselves. I think—oh, what was that! The bell for algebra class—it was all a dream!

How disappointing to learn this—but oh, how much interesting too it was to learn what the future might hold for our class.

Lillian Mark

THE END

# ATHLETICS

"It is all very well to fight for fame,  
But the cause is a bigger need,  
And what you do for the good of the game  
Counts more than the flash of speed;  
It's the long, long haul and the dreary grind,  
Where the stars but faintly gleam,  
And it's leaving all thoughts of self behind  
That fashions a winning team.

## Boys' Basketball

The Boys' basketball team had a very successful season this year. After a slow start the team rallied into championship form and ended the season in the blaze of dazzling basketball. After a brilliant stand the team was nosed out by Berlin in the semi-finals. The game scores are as follows

Killbuck 11	Holmesville 28
Killbuck 40	Lakeville 21
Killbuck 24	Clark 50
Killbuck 27	Warsaw 25
Killbuck 33	Nashville 15
Killbuck 22	Walnutcreek 26
Killbuck 24	Warsaw 22
Killbuck 29	Berlin 52
Killbuck 40	Lakeville 9
Killbuck 48	Holmesville 25
Killbuck 27	Big Prairie 22
Killbuck 20	Nashville 36
Killbuck 42	Glensmont 14

The Killbuck aggregation made of the staggering total of 459 points while the opposition were collecting 346. Carpenter led the black and gold warriors with 132 points. Geib was second with 115 points.

Basketball letters were awarded to the following members: Close with 80 points, Hoops with 65, Christopher with 41, Foreman with 18, Horn with 6, Rites (unknown), and Purdy with 5. Lawson and Kidd were other members of the squad.

The main social event of the year was the chicken dinner given to the squad by Coach Coon. The boys were presented with their letters at the dinner.

The team is going to lose two of its players this year. They are Captain Hoops and Close.

## GIRLS' BASKETBALL

The girls' basketball team started out like a lamb. Regardless of the fact that they lost only one member of their last year's team, they could not get started. The scores of the games they played, are as follows:

KILLBUCK-POINTS		OPPONENTS-POINTS	
Killbuck	15	Glenmont	16
Killbuck	12	Holmesville	18
Killbuck	16	Lakeville	18
Killbuck	12	Warsaw	18
Killbuck	24	Nashville	10
Killbuck	14	Lakeville	22
Killbuck	17	Holmesville	14
Killbuck	56	Big Prairie	15
Killbuck	25	Nashville	8
Killbuck	26	Glenmont	10

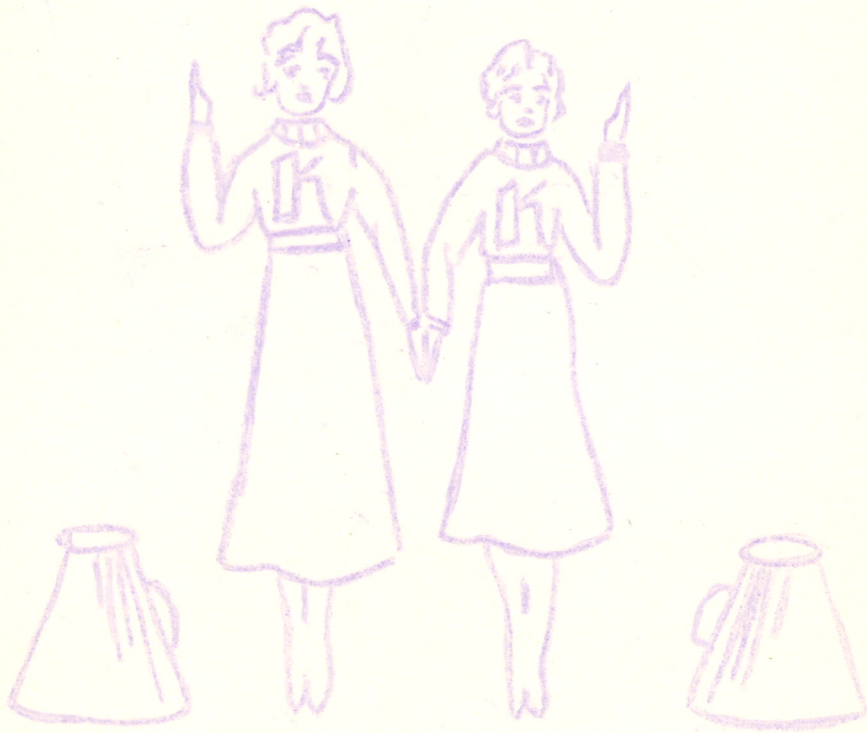

The girls started to play in their old stride in the Holmesville game. Holmesville was the champion team which made it a startling upset when the Killbuck girls beat them. The girls have secured the third place in the County League, being second to Holmesville and third to Lakeville, the champions.

Their opponents total points are 149. The Killbuck girls were able to pile up a total of 217. The points were distributed among the girls as follows: Hoxworth, 32, Reed 55, Beller 46, Baird 31, Lawson 13.

The girls regret that they will lose Ida Belle Lawson this year, but hopes are high for next year.

The school has been fortunate in that its teams have always been backed by the cleanest bunch of fans that it has been possible to find in any community. This means a great deal to the success of the team, for any team will be just as clean as the fans make it.

## DINNER BELLES

Blue and Gold

Founded--1934

The Home Economics Club, founded in 1934, with Gertrude Buckliw serving as president, has grown until now its membership is twenty four. Any girl in high school is eligible to become a member after having proved her abilities in culinary art. The second year of its existence, Katherine Allison was president of our organization. This year, Frances Patterson is our very worthy president.

It is the aim of this club to fulfill the social demands of the girls of our high school, and assist in making our high school a more desirable place in which to be. The outstanding activities of this club have been in furnishing, and equipping the first-aid-room, and in purchasing window boxes for our study hall.

We shall never forget the picnic on the Woods' place in the rain, the spring picnic on the island, and the show afterwards, the mother and daughter banquets, our kitchen band, spring festivities of this year, 1937, and the many good times we have had together.

Our club sponsors are, Miss Anderson, Miss Leonard, Miss Jordan, and Miss Patterson.
