## SENIOR CLASS HISTORY

President-----Lillian Mark Secretary--Vivian Carpenter  
Vice President--Eileen Hoopes Treasurer--Edwin Cantleberry  
Class Sponsor---Mr. Carpenter

High School days are at a close. The fulfillment of our dream of graduation has come after twelve short, memorable years. The goal for which we have been striving since our school days began is now won.

In September, 1936, we were a class of twenty members. As high school beginners, we were proud of our literary, musical, scholastic, and athletic accomplishments. The reception given us by the Sophomores was the first party given in honor of the "Class of '40." For us, it was the social success of the year.

Our Sophomore year completed the first half of our high school days. Again we took part in inter-school activities and contributed our share of the points which won the County Literary Cup. We gave the "Class of '41" an official welcome to the high school life we enjoyed so much. This reception was given late in September.

We entered our Junior year with the feeling of more responsibility. At our Class meeting we elected the following officers: President, Lillian Mark; Vice President, Eileen Hoopes; Secretary, Vivian Carpenter; Treasurer, Edwin Cantleberry. In December we gave the play "Speed." This play, under the direction of our class sponsor, Mr. Carpenter, was judged a success. December was also the time we received our class rings.

The outstanding social event of the year was the Junior-Senior Banquet. This party was held at Fisher's Banquet Hall on May 5.

At last we are Seniors in dear old K. H. S. A new dignity has been evident in our class members. We are no longer under-classmen. We are leaders.

A series of events including our Seniro Class Play "Oh, Promise Me," our operetta, "The Pirates of Penzance," the literary, music and scholastic contests, our roller skating party, and our Junior-Senior Banquet have made our last year our best. Our Junior-Senior Banquet was held again at Fisher's. We all enjoyed the social climax of our high school life and we hope it will be possible to meet again in the future in a group such as that.

Our commencement is over. We bid farewell to the dear school that has sheltered us for four years, making us better boys and girls. May the students of future graduation classes have as pleasant memories of their school life as we have of ours. May the faculty continue to instruct and inspire the students to better things.

## CLASS PROPHECY

Oh, dear, I would be nervous! I suppose most people are just before their first airplane ride. Here comes the pilot now! He looks rather familiar--Wonder where I could have seen him before. Why, I believe it's Willie Kidd. I must speak to him and see if he remembers an old class-mate. What a long way we have come since those happy, carefree high school days.

That hotel clerk seems to be staring at me as if I were someone he knew. It's Earl Haun! Who would have thought in 1940 that Earl Haun's future would be clerk in a large hotel. Earl said that Albert Garver is the manager of this hotel. I can hardly believe it. I must see him while I am here even though my time is limited and I must go on to the next city tomorrow. It does seem rather queer though, neither Earl nor Albert has found a girl suitable to marry. (Maybe Albert is loyal to the girl back in his home town.)

I think I shall end my stay in this city by going to the opera tonight. It is suppose to feature a new singer who promises to be famous. It is strange how that singer reminds me of a certain operetta that we gave in Killbuck High School. I must go back stage and meet the star. I am glad that reporter asked to interview the singer before me, otherwise Lillian Mark and I would probably have never met in this large, unfriendly city. But she gave me the most surprising news--the famous singer that I am about to see is none other than Violet Uphoff. It is a very small world after all.

The train ride was rather tiresome. I will read this newspaper before my business engagement. Gracious! the paper says that Claude Lawson is to be in this city campaigning for a political office. Claude has come a long way toward success since the class of '40 separated and chose their various pathways in the road of life.

I hope it will not take long to transact the business for my employer. The secretary tells me that I am to go right into the office of the President.

Eddie Cantleberry, what are you doing here? You are the President of this firm? This is surprising, indeed! But then, Eddie was always ambitious.

Are my ears deceiving me or did the news commentator say that Joe Doyle, a famous artist, is in the hospital? It seems that Joe has really developed his talent for drawing. This news is credulous. I must go and see him.

I will ask this nurse to direct me to Joe's room. Vivien Carpenter happens to be Joe's nurse. Vivian

## CLASS PROPHECY, CON'T.

is contented with her position. She says that Joe's condition is not serious.

Now for my vacation. It will certainly be wonderful to get back to Killbuck and visit my old friends--those who have remained in Killbuck.

Surely, the conductor is mistaken. This is too large for the Killbuck I used to know. I will get a taxie and look for the old familiar places. The schoolhouse has been rebuilt. How strange and modern it looks.

I remember when this teater was built. There is going to be a famous radio singer here tonight, visiting his home town. I must go, maybe I would recognize the celebrity.

Of course, I remember the singer. So, Lewie Carpenter is still singing. I wonder, could the woman singer he is teamed up with be Doris?

I do believe this is Helen Middaugh coming out of the theater. I wonder what she has been doing all these years. Married--what a surprise! She says she is very happy and she has asked me to stay at her home in Killbuck.

Helen says she is going to give me a surprise today. Who lives at this beautiful farm? Eileen Hoopes? Don't tell me she is married, too? She always liked farms and red haired boys but I never dreamed that she would marry one.

What industrious person lives on this modernized farm? Ralph Reed? He is most certainly making agriculture profitable.

What a chic dress shop has sprung up here--even a model to influence the sales. Why, the model is Gladys Archer and the owner of the shop is Betty Buren. What a catch they would make for some eligible bachelor!

"The clock tells me that I have overslept. I must have been dreaming--it is queer that I can't remember what I was dreaming about. Tonight is "the Night" of nights. Tonight we graduate--my life, from now on will have a different meaning. The Class of '40 goes forth to make life a success.

SENIOR CLASS WILL

We the Seniors, members of the Class of 1940, of the Killbuck High School located in Killbuck, Ohio, County of Holmes, in the United States of America, realize the approach of old age; but being sound of mind and liberal in disposition do hereby make and declare this to be our last will and testament, hereby revoking and annulling all former wills by us made.

We, the Class of 1940 name Mr. Kenneth Carpenter to be executor of these our bequests. For we do give and bequeath to our successors as follows:

ITEM 1--We leave to the faculty such memories as they may have gleaned from their association with us.

ITEM 2--To the Junior Class we leave the glory of being upper classmen for a year.

ITEM 3--To the Sophomore and Freshman Classes we leave our sympathy and best wishes.

We, the Seniors, bequeath our cherished talents and traits to the following students:

1. Maxine Croft wills her ability of not getting serious to Twila Hoover.

2. Helen Middaugh wills her love of home and her contentment to Mary Groskey.

3. Lillian Mark wills her brown leather coat to anyone who will cherish it as she has. Her habit of getting into extra-curricular activities she leaves to Bill Duncan.

4. Gladys Archer wills her height to a Sophomore--  
Maxine Murfay.

5. Betty Buren wills her great share of self-consciousness to a Freshman girl--Joan Leguillon.
6. Eileen Hoopes wills her ability to have her school work in on time to her sister, Maxine.
7. Willie Kidd wills his love for Mr. Cox to Billy Duncan.
8. Earl Haun wills his basketball ability to Harold Carpenter.
9. Edwin Cattleberry wills his fielding ability to anyone who can fill his size ten shoes.
10. Vivian Carpenter wills her position in Glee Club and Orchestra to Marcella Clark; her rank in Seniro Scholarship she leaves to Maxine Hoopes.
11. Violet Uphoff wills her musical ability to Anna Marie Baughman.
12. Joe Doyle wills his artistic genius to Samuel Matheny.
13. Ralph Reed wills his ability in agriculture and Farm Mechanics to Jimmy Allison and may he succeed in his work.
14. Albert Garver wills his ability to work as an F. F. A. executive to Lloyd Hawkins.
15. Claude Lawson wills his athletic ability to anyone who needs it.
16. Lewis Carpenter wills his punctuality at school to Delno Nyhart. Don't spoil my record, Delno.

Sponsor-----Mr. Miller

Student Senate--Maxine Hoopes, Mary Croskey, James Allison

The year 1939-1940 has brought new and pleasant experiences to our Junior Class. At the beginning of the year we had an enrollment of twenty members but we regret to say that our enrollment has decreased to thirteen.

We started our candy sale early in the year; toward Christmas we sold Christmas Cards. The proceeds of these projects, our Class Play, "Adorable," and our Box Social have enabled us to have a substantial sum of money in our treasury.

Five boys of our class played on the basketball team: Bob Orr, James Carpenter, Jimmy Miller, Jerald Boyd, and James "Pete" Allison, (the captain of the team). Two of the three cheerleaders were from our class. They were Mary Ellen Croskey and Maxine Hoopes.

We ordered our class rings this year.

Maxine Hoopes represented Killbuck High School in the State Speech Contest in humorous reading and was also in the cast of the play entered in the State One-Act Play Contest.

The big social event of our Junior year was May 4. On this evening we entertained the Seniors at a banquet.

These are our Junior year accomplishments. We expect to do even more in our next--and last--year in K. H. S.

The Sophomore Class, with its thirty members making it the largest class in Killbuck High, began this year feeling a little nearer their goal of graduation than ever.

To prove that we have not only quantity but also quality—just read the history of our Sophomore year.

Five Sophomore boys played on the basketball team: Harold Carpenter, Bob Coffey, Earl Hoover, Maurice Mohler, and Delno Nyhart.

Killbuck's affirmative debaters participated in a speech league contest with West Salem. This team was a Sophomore team: Bob Coffey and Betty Moore.

Three Sophomores are violinists in the orchestra: Fern Alexander, Maxine Murray, and Earl Hoover. Killbuck's violin soloist in the County Contest was Bob Coffey.

Eight of our class were on the Honor Roll this year: Fern Alexander, Margaret Purdy, Marcella Clark, Rita Schodorf, Mary Jane Snyder, Don Taylor, Harold Carpenter, Maurice Mohler.

Our big party of the year was on October 13, when we gave the Freshmen a reception. Both classes enjoyed the party.

Our class enjoys the high school life they were so eager to begin. We are glad that we still have two years to look forward to, and we hope to accomplish great things in these years and gain many more pleasant memories.

Student Senate---Dorothy Clark

From the time of the reception given us by the Sophomores, our Freshman Class of 21 members has contributed athletic, musical, and scholastic ability of K. H. S. We are justly proud of our accomplishments.

Three Freshman boys, Bob Hoxworth, John Mullet, and Wayne Lisle played on the basketball team. Bob Hoxworth won a letter by his grand playing that makes us as proud of him as the Junior Class is of Jimmy Allison. Bob Patterson, too, did his share for the team. He was chosen to be one of the three cheerleaders.

Our class also furnished two members for the orchestra, Joan Leguillon and Virginia, better known as "Ginger," Mark. Both girls play first cornet. Joan was Killbuck's alto soloist in the County Music Contest. Four Freshman girls sang in the Glee Club Ensemble in the County Chorus. They were Lois Patterson, Amanda Hoover, Joan Leguillon and Edith Richards.

Scholastic achievement in our class is evidenced by the number of names listed on the Honor Roll: Marilyn Alderman, Anna Baughman, Doris Chaney, Dorothy Clark, Amanda Hoover, Joan Leguillon and Jane Ling.

We, the Freshman Class, are proud of these fine activities but we realized that we owe a large debt of thanks to our teachers, who have given us the opportunity and encouragement to achieve. Because of this we take this opportunity to express our sincere thanks for making us another year wiser; and here's a special "thank you" to Mr. Egger, our class sponsor.

This year the combined glee clubs, under the direction of Mr. William Galen, produced an operetta, something that hasn't been attempted for many years in the history of Killbuck High School. Gilber and Sullivan's famous "Pirates of Penzance" was chosen and after three months of hard rehearsal was given on the night of Friday, April 5.

Edwin Cantleberry played the part of Frederick, the pirate apprentice and a slave of duty. Bob Coffey was the bloodthirsty, yet tenderhearted pirate king and boss of Frederick. The role of Ruth, unrequited lover of Frederick, fell to Joan Leguillon, and the pirate lieutenant was played by Don Taylor.

The faithful heroine, Mabel, was depicted by Violet Uphoff, whose sisters, Kate, Edith and Isabel were played by Eileen Hoopes, Helen Middaugh and Maxine Croft, respectively. Major-General Stanley, the father of the many daughters was portrayed by Lewis Carpenter and the heroic police sergeant by Earl Haun. Vivian Carpenter was the accompanist.

The entire personnel of both glee clubs were in the various choruses of the daughters, pirates, and policemen.

## GLEE CLUBS

The Girls and Boys Glee Clubs were organized at the beginning of the school term by the election of the following officers: Girls Glee Club--President, Vivian Carpenter; Librarian, Lillian Mark; Boys Glee Club--President, Edwin Cantleberry; Librarian, Robert Coffey.

The first public appearance of the Girls Glee Club was on October 11, 1939, when they sang two songs on the Fire Preventive Program given in the school auditorium.

The school presented a Christmas Program on the afternoon of December 22. The Girls Glee Club, the Boys Glee Club, and the Mixed Chorus participated in the program.

High School night was held at the Methodist Church on March 14. The Glee Clubs and Mr. Galen, our music supervisor, furnished the program.

We had five entries in the County Solo and Ensemble Contest held on March 2. Violet Uphoff, soprano soloist, received a rating of Superior. Joan Leguillon, alto soloist; Edwin Cantleberry, tenor soloist; Robert Coffey, violin soloist; and an ensemble of nine girls received an Excellent rating. All entries were eligible to go on to the District Contest at Mount Union.

On March 22, the Girls Glee Club participated in the County Chorus Contest. They received a rating of Superior. The Club was eligible to enter the District Contest at Kent.

On April 5 the combined Glee Clubs presented an operetta, "The Pirates of Penzance" by Gilbert and Sullivan.

The Girls Ensemble included: Eileen Hoopes, Violet Uphoff, Edith Richards, Joan Leguillon, Fern Alexander, Amanda Hoover, Lois Patterson, Twila Hoover, Pearl Patterson.

SENIOR CLASS PLAY

The Senior Class Play was a comedy by Pete Williams entitled "Oh, Promise Me!"

The story centered around a young millionaire who had to convince one girl that he was married while trying to prove to another girl that he was not married. The many humorous incidents that set in to complicate things made "Oh, Promise Me!" one of the best comedies ever produced in Killbuck High School.

## KILLBUCK F. F. A.

Bernard McKelvey as President, and with the help of Don Taylor as Vice-President, brought our chapter through another successful year. Other officers: Lloyd Hawkins as Secretary, James Allison as Treasurer, Earl Smith as reporter and John Ling as watchdog.

Nineteen boys have continued their work in the Department of Vocational Agriculture throughout the year. Members, in addition to the officers are: Carl Allison, Dean Croskey, Delbert Gallion, Bob Hoxworth, Maurice Mohler, Robert Patterson, Max Reed, Rodney Ridenbaugh, John Snyder, Jimmie Carpenter, Albert Garver, Ralph Reed, John Waltman.

Vocational Agriculture has been taught under a slightly different system this year. Instead of devoting two periods per day to Farm Shop, with the Freshman and Sophomores, this double period has been used to teach a Junior-Senior Class in Farm Machinery. To replace the Farm Shop Course, part of the time during the year has been spent in the shop by Freshman and Sophomores in order to build such equipment as they have found they needed in their livestock or crop projects at home.

Night meetings have been held regularly once a month. As usual, basketball was the chief source of recreation after which refreshments have always been served.

Killbuck won the County F. F. A. pest hunt. The pay-off and F. F. A. basketball tournament was held at Nashville. The pay-off consisted of home made ice cream and cake.

The annual Parent-Son Banquet was a decided success this year. At the banquet some of the members received letters for achievement in F. F. A. and Vocational Agriculture activities. One Ton-litter award was made at the banquet to John Waltman. John has a chance of making another Ton-litter this year. Albert Garver will probably achieve the same honor.

Ralph Reed raised an average of a little more than 99 bushels of corn to the acre on 5.4 acres. John Waltman was a close second with 93 bushels per acre.

Other features of the work during the past year were trips to the Ohio Agriculture Experiment Farm, Leadership Conference at Ohio State University and Cleveland Union Livestock Yards and Swift Packing Plant.

## F. F. A. TRIP

The annual educational trip was the outstanding event of the year. This trip was a joint trip with Glenmont F. F. A. Nine of the present members went on this trip. They were: James Allison, John Ling, Maurice Mohler, Bernard McKelvey, Earl Smith, Don Taylor, Jimmie Carpenter, Ralph Reed, John Waltman. This trip took members over 2600 miles within a period of eleven days. Accompanying the nine members were a few other Killbuck High School students, drivers of the seven cars, and members of the Glenmont F. F. A. There were 35 persons altogether. Camps were arranged for, ahead of time, and each car supplied with the itinerary, but every effort was made to travel together which became impossible once in a while.

The first stop was the World's Poultry Congress at Cleveland. Camp was made at Erie, Pa. Lunch was eaten next day at Niagara Falls. Next evening camp was made at Toronto, Canada. From there the group went through Peterboro and on to Ottawa where they walked about the Capitol buildings of the Dominion of Canada. From Ottawa the itinerary led to Montreal. Here the group reached camp late in the evening. The next morning as soon as breakfast was prepared and eaten and all equipment packed, the boys were on their way to Quebec.

On the way to Quebec some strange sights were seen. Carts pulled by oxen and tobacco growing in the fields were some of the unusual things. A halt was made at Quebec where the group rambled about over the Plains of Abraham and climbed up the defenses of old Fort Quebec where Wolfe and Montcalm fought. All cars were driven on to a ferry along with about a hundred other cars and taken across the St. Lawrence River. From this point the cars were headed toward the Vermont State Line. Already behind schedule on account of the many miles traveled that day, the group encountered a severe rain and thunderstorm. Darkness overtook the travelers miles from their objective that evening. Finally camp was established in a French-speaking garageman's parking lot in Sherbrook, Canada.

The next day was spent in Vermont, N. Hampshire, and Massachusetts. Next morning the battle grounds at Lexington and Concord were visited. A hasty tour of Boston and Bunker Hill Monument permitted the group to get on its way toward a beach where they enjoyed a bath in the Atlantic. After bathing and eating lunch the group soon found itself in Plymouth where Plymouth Rock and other sights were seen. The evening trek was across Rhode Island through Providence, into Connecticut, through Hartford and camped in a State Park.

The next day the boys camped at Farmingdale Long Island on the campus of a State School of Voc. Agriculture. They attended the World's Fair and toured New York City. The trip from New York through New Jersey and Pennsylvania included a tour of a State Park near Harrisburg. From here the group went to a camp near Pittsburgh and then back to Killbuck.

ORCHESTRA

This year found the orchestra severely handicapped by the graduation and moving away of most of its key members. The vacancies thus caused were filled by younger players, one from the fifth grade, four from the sixth grade and three from the seventh grade. After a slow start the group improved rapidly and the end of the year found it a young but growing organization.

The orchestra's first appearance was at the Junior Play on December 13. They then appeared on the final night of Farmer's Institute. After this came the Future Farmers of America Banquet. The final appearance came at Commencement on May 17.

The orchestra can look forward to much improvement in the coming years as it is a young organization with few graduations to handicap it.

## DRAMATICS

This year, for the first time, K. H. S. entered the State Speech League. Killbuck participated in four divisions, namely: Debate, one-act play, humorous declamation, and dramatic declamation.

These activities, under the direction of Mr. Kenneth Carpenter, marked the beginning of something new and progressive for Killbuck High School. The step has been taken. A new goal has been set. Before, it was considered quite an accomplishment to win the trophy cup in the County Contest but now similar satisfaction will not come until we win recognition in the State Speech League. This is a high but not necessarily distant goal. This year, while the contestants did not win great things, a foundation has been laid to help future contestants.

## BASKETBALL SUMMARY

This year's ball team was a good team in the light of victories and the team's experience. We won 21 of 29 games played by two squads and were successful until the semi-finals of the play-off.

We have two Seniors leaving us this year--Haun and Lawson--these two players gave us some mighty sensational moments this past season. Their places will be open to the members of the reserve team next year, and we hope the newcomers can uphold the tradition of playing as hard as Claude and Earl.

The high-lite of the season's playing was at Howard--this was the night that every coach hopes for, the night the boys will all "click" together. Coffey, Allison, and J. Carpenter played the best games of the season. Allison gave his man four points while getting twelve and Coffey gave his man two and got eight. Jim Carpenter was outstanding on the defense in this game, and he was really the best on the floor. Harold Carpenter played the rebounds with Lawson so well that we lost only five all evening.

Other good games were the games against Prairie which we lost 47-44. This was Miller's night; he did everything right and he garnered twelve points in the second quarter. Nashville was H. Carpenter's night when he scored twenty-six points. Harold has the height and ability but is lacking in experience, as are the other Sophomores. Next year should show a decided improvement in these boys and the Freshman of this year's team. A few of our losses can best be explained by inexperience, while a few must be credited to the fine teams our opponents had.

It is our hope that in the future we will have basketball for the Junior High boys that they may come to high school well trained in the fundamentals of the game and help place us where we should be in the Holmes County League.

Boys with considerable experience who will return for next year are: Nyhart, Hoover, Hoxworth, Orr, Allison, Boyd, J. Carpenter, H. Carpenter, Coffey, Lisle, Miller, Mullet, and Mohler.

In addition, there has been considerable effort spent with the eighth grade boys this year and we hope to see Moor, Lyle, Kidd, Anderson, Lawson, Haun and Schuler in there next year with possibly a few additional boys from the ninth grade.

Group enthusiasm for our team this year was greatly improved and we appreciate it. One of our cherished memories of this year is the dinner given us by the Killbuck Chamber of Commerce at the close of the basketball season.
